

#COP25: Side Event & Press Conference

## Money Flows Into Fossil Fuels: Fresh Revelations, New Counter Strategies

### **SIDE EVENT on COP25**

***Ensuring Paris Agreement Implementation through limiting finance for fossil fuels.***

Banks, insurers and investors play a key role in ensuring the implementation of the PA, especially regarding article 2.1c. The event will explore which measures are necessary to divert funds from the fossil industry to the energy transition and low carbon development.

Saturday, 07 Dec 2019, 11:30 –13:00

Room 3
