

**UN Climate Change Conference June 2019 (SB 50)**

# **Facilitating partnerships for ambitious climate action and sustainable development**

**19.6. 2019 at 18.30-20.00, Room Bonn**

Nordic countries have an extensive track record in supporting sustainable development, ambitious climate action and promoting carbon pricing. The event discusses how to bring this experience into the Paris Agreement cooperation via piloting and international partnerships.

## **PROGRAMME**

**Hanna-Mari Ahonen, Ministry for Foreign Affairs, Finland**

Nordic experiences in international carbon pricing: Lessons for the Paris era

**Kari Hämekoski, NEFCO**

Nordic Initiative for Cooperative Approaches (NICA)
