The Way Forward: Facing New Challenges

Nairobi Framework - Objectives

- Launched at COP12/CMP2 by the UN Secretary General
- Current Partners: **UNFCCC, UNDP, UNEP, UNCTAD, UNITAR, WB, AfDB, UNECA**
- **Main Objective:** improve level of participation in CDM and enhance CDM projects geographical scope in developing countries, in particular in Africa

Focus of the Framework:

- Build capacity in developing CDM project activities
- Build and enhance capacity of CDM DNAs to become fully operational
- Promote investment opportunities for projects
- Improve information sharing / outreach / education and training
- Inter-agency coordination – **UNFCCC secretariat**

Nairobi Framework – Benefits/Advantages

What has been the impact:

Improved coordination among the NF partners and other collaborating organizations

- Coordinated preparation of NF partners **annual work programme** of activities
- Forum for partners to regularly **exchange information** and experiences
- **Less duplication of efforts** in providing assistance on capacity building initiatives to develop project activities
- Collaboration among partners to **enhance capacity of the CDM DNAs**
- **Raising awareness** and promoting CDM in regions by organizing carbon forums:
African carbon forum, Nairobi, March 2010

Nairobi Framework – Some Achievements

Targeted regions: Africa, Latin America and the Caribbean, Asia and the Pacific

Some examples of activities undertaken:

- Organized DNA Forums/Training to facilitate exchange of experiences and best practices
- CDM Bazaar – on-line platform for buyers, sellers and service providers to exchange information
- Coordinating joint activities - organizing regional carbon forums

Nairobi Framework – Way Forward

- Secretariat is committed to facilitate coordination of Nairobi Framework partners initiatives
- Partners appreciate benefits of framework - continue to collaborate and share information including calendar of events
- Identify key activities/events to be implemented jointly to address regional distribution of CDM in under represented countries and related capacity building initiatives
- Prepare NF annual work programme as part of information sharing and bilateral collaboration
- Continue to improve on collaborative efforts that are working: carbon forums and DNA Forums
- Share with stakeholders of the Nairobi Framework initiatives being carried out
