Outline agreed by a decision	Yes (13/CP.20, Annex, para: 95)	Yes (13/CP.20, Annex, para: 126)	Yes (13/CP.20, para: 112)	Yes (topics defined by 2/CP.17)	Yes (ongoing SBSTA work)
Outline further developed into a template by LRs and secretariat	Yes	Yes	Yes	Yes (secretariat)	<b>tbd</b>
Template updated taking into account practice	Yes	Yes	Yes	Yes	<b>tbd</b>

# Lessons from current MRV: TERR

---

## Opportunities: TERR

---

**One outline for all countries to ensure comparability and consistency**

**Ensure consistency with scope of the technical review in the MPGs**

**Utilize LRs' role in improving quality, efficiency and consistency of reviews**

**Mindful that TERR is informing the FMCP**

---

Thanks for your attention.
