Loss and Damage in Focus: Ten Years of the Warsaw International Mechanism Launch Event

The side event will launch the call for entries for the *Loss and Damage in Focus: 10 Years of the Warsaw International Mechanism* Photography Exhibition. The event will also aim to showcase how communities and people at the frontline of climate change impacts are currently responding to loss and damage and the ways in which the Warsaw International Mechanism and its Executive Committee are catalysing relevant support.

5 June 2023 | 13:15–14:45 | Room Berlin, WCCB, Bonn, Germany
