

An aerial photograph of Nairobi, Kenya, showing a dense urban skyline with various high-rise buildings and a large green park area in the foreground. The sky is bright blue with scattered white clouds. The text 'KADI : Nairobi City Pilot' is overlaid in the center in a white, sans-serif font.

KADI : Nairobi City Pilot

Kenya Meteorological Services

Over 5 million: upmarket suburbs, a central business district, informal settlements

Majority live crowded areas & informal settlements

Climate Services for Informal settlements : **Heat early warning system**

Focus: heat

- Determine heat thresholds & issue timely information
- Guided by user needs – demand- driven
- **co-production is key**
- **citizen science :Heat perceptions, what is important to them?**

Surveys , stakeholder workshops

Strengthening dissemination
