

## Climate Technology Initiative (CTI)

## **Side Event**

**Organized by the International Center for Environmental Technology Transfer (ICETT)** 

Saturday 4th December 2010 20:15-21:45 Room: Águila

## Mobilizing private sector financing for technology transfer

In order to supplement the scarce public resources available to finance developing country technology needs, CTI PFAN is successfully mobilizing private sector financing sources. The side event will showcase examples of activities in a broad range of developing countries focusing on Africa.
